NMEF 2008 Scholarships Awarded

In 2008, scholarships totaling over \$21,000.00 were provided for students pursuing degrees in engineering and science at New Mexico Universities and for New Mexico High School seniors seeking engineering degrees at any accredited program in the United States.

The Foundation offers individual engineers and businesses the opportunity to support the engineering profession in a tangible way through gifts to the scholarship funds and financial support to math, science and engineering programs.

Organizations and individuals wishing to establish a scholarship or to contribute to NMEF Scholarship programs, please contact the New Mexico Engineering Foundation. The Foundation can assist with scholarship fund investment, administration and applications.

Scholarships are awarded during the Annual Scholarship Awards Luncheon held in the Spring at the Albuquerque Marriott.

Scholarship Chairman, Hank Rosoff, P.E. delivers the good news at the 2008 Scholarship Awards Luncheon.

In 2008, NMEF welcomed 49 recipients, parents, donors and NMEF Board Members. (See Page 2 for list of recipients) The 2009 Scholarship Awards Luncheon will be on April 25, 2009. For more information contact NMEF at 410-5406.

NMEF

Mission and Vision

The New Mexico Engineering Foundation, established in 1991, is a 501 (c) (3), non-profit educational foundation.

NMEF conducts and supports educational programs in engineering; grants scholarships; fosters the profession of engineering through the dissemination of educational information in all its forms and serves as a catalyst for the advancement of engineering education.

NMEF achieves those goals through cooperative efforts among the engineering profession, engineering societies, elementary and secondary schools and the engineering and engineering technology colleges.

NMEF Volunteers are involved in the MathCOUNTS competitions, NM Science Fair, and Engineers

**2009 Scholarship Deadline
is March 1, 2009**

High School Scholarship Recipients

Donor	Recipient	School
Cabot Superior MicroPowders Scholarship	James Schoonover	Mayfield High School
Colleen Conley Memorial Scholarship	Liz Hunter	Piedra Vista High School
NMEF Board Scholarship	Julie Do Mathew Davis	Eldorado High School Albuquerque Academy
NMSPE State Society Scholarship	Katie DeLaurentis	Sandia High School
Society of American Military Engineers Scholarship	John Brock Katie Mayfield	Cloudcroft High School Texico High School

University Scholarship Recipients

Donor	Recipient	School
ACEC Scholarship	Roberta Lujan Irene Abagi	New Mexico State University New Mexico State University
Frank Bolek Memorial Scholarship/WHPacific	Garrett Gatewood	University of New Mexico
Cabot Superior Micropowders Scholarship	Clay Beevers	New Mexico Tech
Conrad G. Keyes, Jr. P.E./P.S. Scholarship	Fall Christopher Taylor Spring Zach Huff	New Mexico State University New Mexico State University
NMSPE– Albuquerque Chapter Scholarship	Golnar Doroudian Lois Kanga-Ngameni Rebecca Martinez Kristin Strong	University of New Mexico New Mexico Tech University of New Mexico New Mexico Tech
Dolores Rodolph Memorial Scholarship	Thao Ta	University of New Mexico
Bryce Rowen Memorial Scholarship	Toi Carden	University of New Mexico
Kate Warder Memorial Scholarship	Sarah Quintana Adam Gallegos	University of New Mexico University of New Mexico
Jim and Polly Wright Memorial Scholarship	Jonathan Height	New Mexico State University
Helen Zimmermann Memorial Scholarship	Chi Bui Marta Cooperstein	University of New Mexico University of New Mexico

Donor Spotlight: Cabot Superior Micropowders

Cabot Superior MicroPowders (previously known as Superior Micro-Powders) is a manufacturer of powders, catalysts, and inks used in various industries. The Albuquerque-based firm was founded in 1997 by two University of New Mexico professors and develops materials for industries ranging from energy (fuel cell and solar) to security (anti-counterfeiting). Massachusetts chemical giant Cabot Corporation acquired Superior MicroPowders in May 2003. Cabot, founded in 1882, a Boston-based firm, is a global leader in performance materials, they enable and improve products across a wide spectrum of industries...from automotive to electronics, to energy, apparel, and printing. NMEF thanks Cabot Superior MicroPowders for their continued support!

Ways to Give to New Mexico Engineering Foundation

Tell your friends and family about NMEF	√
Designate your funds through United Way	√
Refer students to NMEF for Scholarships	√
Start a Scholarship to Honor an Engineer	√
Volunteer with NMEF	√
Talk to NMEF about Endowments	√

When you invest in NMEF you are supporting Engineers for our Future!

NMEF is a Registered 501 (c)(3) organization

Enclosed is my gift for:

\$500.00 \$100.00 \$50.00 \$25.00 Other
